A Special Message

From the Secretary

The South Carolina Society of the Sons of the Revolution has been extremely fortunate the past fifteen years to have such leadership as Jeff Jordan and Chuck Swoope.

Chuck will continue to be our President but is adding another responsibility serving the GSSR as the Committee Chair of Special Projects and Patriotic Awareness. Jeff will continue

to be our Treasurer and Registrar but will also be assuming a new role promoted Vice President Region 3 (AL, FL, GA, NC and SC). He is replacing Mitchell Bush (GA) who was nominated and elected as the 2015-2018 General President.

These promotions represent a testament to our state society's leadership. Please give a hearty kudos to each of them when you have the time.

In an effort to reorganize, President Swoope has asked me to become the Secretary and assume those responsibilities as it applies to the SC SR and GSSR.

Rebooting this newsletter and submitting articles to the *Drumbeat* represents only the genesis of that role.

Please join the three of us, General President Mitchell Bush and Jeff Lambert, Executive Director GSSR at the December 11, 2015 SCSR Christmas Social.

42nd Triennial Meeting Williamsburg, VA October 1-4, 2015

President Swoope attended his third GSSR Triennial Meeting this October. He and his wife Pat arrived just in time to attend the Thursday evening Reception at Two Rivers Country Club hosted by the Pennsylvania Society Color Guard. That event was an opportunity for SC SR member Ivan Bennett to meet and discuss the agenda for the following three day meeting. The following morning at the Williamsburg Lodge, the business meetings began for the next two days. Chuck and Ivan represented the state society as delegates to the 42nd Triennial Meeting.
